2025 ANNUAL REPORT

GREETINGS

Imagine a place in the world's second-largest Muslim nation where:

- Hundreds of young Christian leaders are discipled and equipped.
- Thousands of young women are empowered, respected, and heard.
- Christians and Muslim students form genuine friendships, living out the campus motto from Galatians 5:13, "By love serve one another."

This place is Forman Christian College. These three seemingly impossible realities all happen daily at FCCU. Your prayers and generosity make all this possible.

As we look ahead, I feel renewed energy and optimism for our ability to be the catalyst for lasting change in this underserved region. It brings me great joy to share what God has done this past year thanks to your partnership and trust. You are genuinely **making God's love visible** in Pakistan.

With Sincere Appreciation,

Rev. Dr. Roger A. Dermody
Executive Director

Who would believe that there is a distinctively Christian university in the heart of a Muslim nation that brings together people of all faiths on a campus that some students describe as a slice of heaven?

Who would believe that, unabashedly in the name of Christ, people of all faiths are living and learning together, both men and women, the rich as well as the poorest of the poor, becoming leaders of the nation they love?

Who would believe that in the midst of this nation there is an institution teaching both undergraduate and graduate courses that help followers of Jesus of all ages to know the Scriptures more fully and to follow their Savior more winsomely and faithfully day by day?

All this and more is taking place at Forman Christian College University in Lahore, Pakistan, and that is why I am passionate about sharing my time and treasure for its vital mission. Some of you reading this report already share this passion and I trust that others will come to share it. To all who read this, thank you for whatever part you play in the Forman story.

MAKING IMPACT VISIBLE

Doa

I extend my heartfelt gratitude to my donors for their generous support and contributions. You are the reason I have access to the valuable resources that FCCU provides, which foster both academic and personal growth.

Because of your help, scholarships and financial aid are offered to deserving students, ensuring that financial barriers do not hinder their educational aspirations.

Thank you for being an essential part of the FCCU community. Your generosity not only transforms individual lives but also contributes to the betterment of society as a whole.

Anoosh

As a Christian girl, I chose to enroll in FCCU because it's the safest university for me in Pakistan. As a kid, I always dreamed attending FCCU. But I was afraid my father couldn't pay the fee.

To every donor, I'm deeply grateful for your generous support. You empower students like me through education. Thank you for believing in me and for being a vital part of my success. I promise to make the most of this opportunity and pay it forward.

Shaeel

I never intended to come to Forman Christian College. I always assumed someone from my modest means couldn't afford tuition and I hadn't considered the possibility of scholarships.

But fate led me here in 2023, when I transferred to FCCU. Forman has always had a reputation as a safe haven for people of all faiths. I was delighted that FCCU exceeded my expectations.

Dr. Syed M. Saqib

In 2007, I enrolled at FCCU to study mass communications. Raised by a single mother, my background was modest.

Entering FCCU was overwhelming at first. I felt like I didn't belong. However, I soon found acceptance, passion, strength, and a nurturing community.

In 2014, I returned to campus as a faculty member. It felt like coming home. Being awarded Outstanding Teacher in 2021 reminded me how far I've come and how deeply rooted I'm here.

I want to thank the university's leadership for believing in me. They've created an environment where someone like me, who once doubted if he belonged, can thrive, lead, and contribute meaningfully.

FROM PRE-K TO PHD

Forman Christian College is committed to education at all levels. This community includes three distinct schools.

Stephen Colbert (yes, that Stephen Colbert) once commented: **“You will truly serve only what you love because service is love made visible.”**

To me, the last part of that statement—“Service is love made visible”—provides a poignant if brief commentary on what Forman’s own time-tested motto (“By Love Serve One Another”) is all about.

Yes, love is important. Yes, love lies at the center of Forman’s mission. However, service is essential to what we mean by love, moving us from words to action and ensuring that we can also make a visible difference in the lives of others.”
